Troll Dolls Website

For my microsite, I'll be focusing on Troll Dolls. I'd like to separate my content into several pages, with a navigation bar near the top of the website. I'd like to start with an introductory home page and another page for the history and different iterations of the dolls and brand. I'd also like to include the toy's influences, cultural references, and information of Troll Doll collectors.

- **Home Page/Introduction** – Introduces the toy and some basic information
- **What are Trolls?**
- **History**
 - o Dam Things (Pre-1993)
 - o Global Licensing & the Trolls craze (1992-1993)
 - o Counterfeits, Animations & The Troll Company (1993-2000)
 - o Trollz (2005-2006)
 - o Dark Horse Comics (2012-2013)
 - o DreamWorks Trolls (2008-present)
 - o Dam Things (Present)
- **Influences**
- **Cultural References**
- **Collectors/Fandom**
 - o Rare dolls
 - o Nostalgia
